第38話 ずぶ濡れパニック!!
Ch 38: Dripping wet panic

The inconveniences I've caused
I apologize for...
Ah, you don't have to beat yourself up like that..
Everyone has those kind of days.
I now know how hard you've been working
You've been doing a good job Miyu-san

キッ
I hope no one will be slacking off on their chores!
I've been------ doing it------
You're one to talk~~~~~~
Okay~~~...
I'm sorry..
But you know----

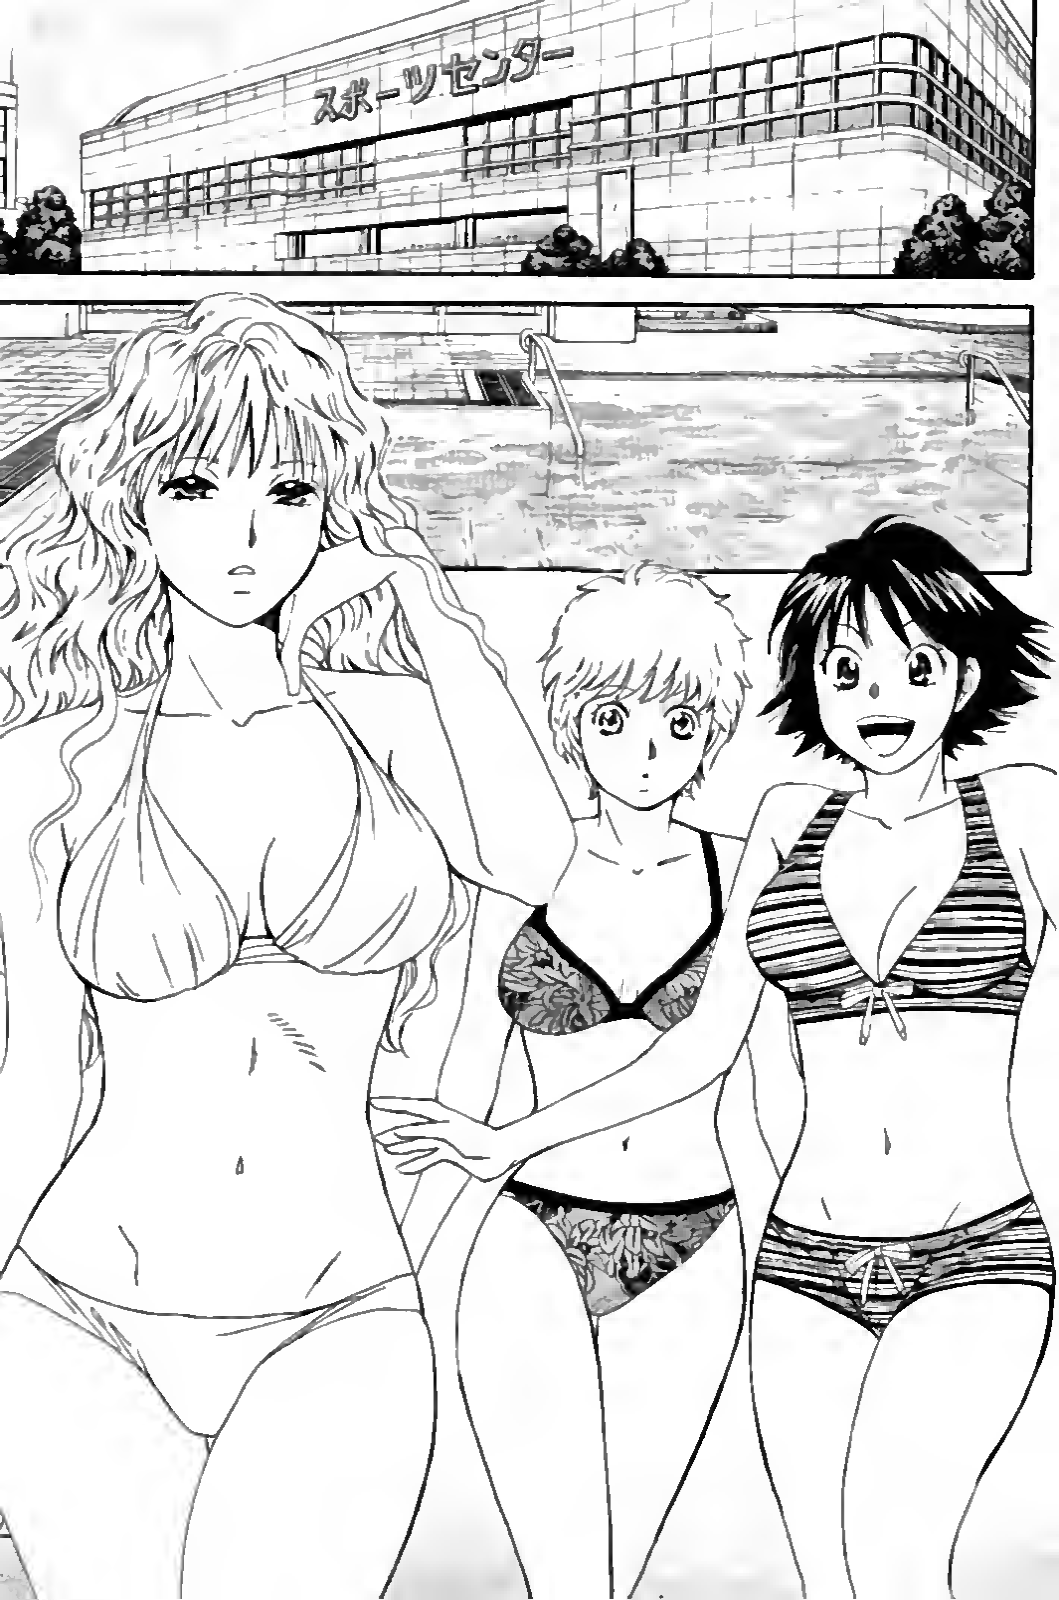
If one can do all of it,
shouldn't they do all of it?
At least our prior training helped us to integrate into this household
I'll bear that in mind...
You're... right...
Rei-chan, you've said too much--
I was just trying to be fair
Miyu-san is not to blame,
you've been doing your best afterall
.....

From now on, everyone please do your part all right--
Those who are not in charge of the breakfast and lunch, please do the cleaning and laundry
She's really got things down
When it comes to leading, Hana-chan is so reliable-

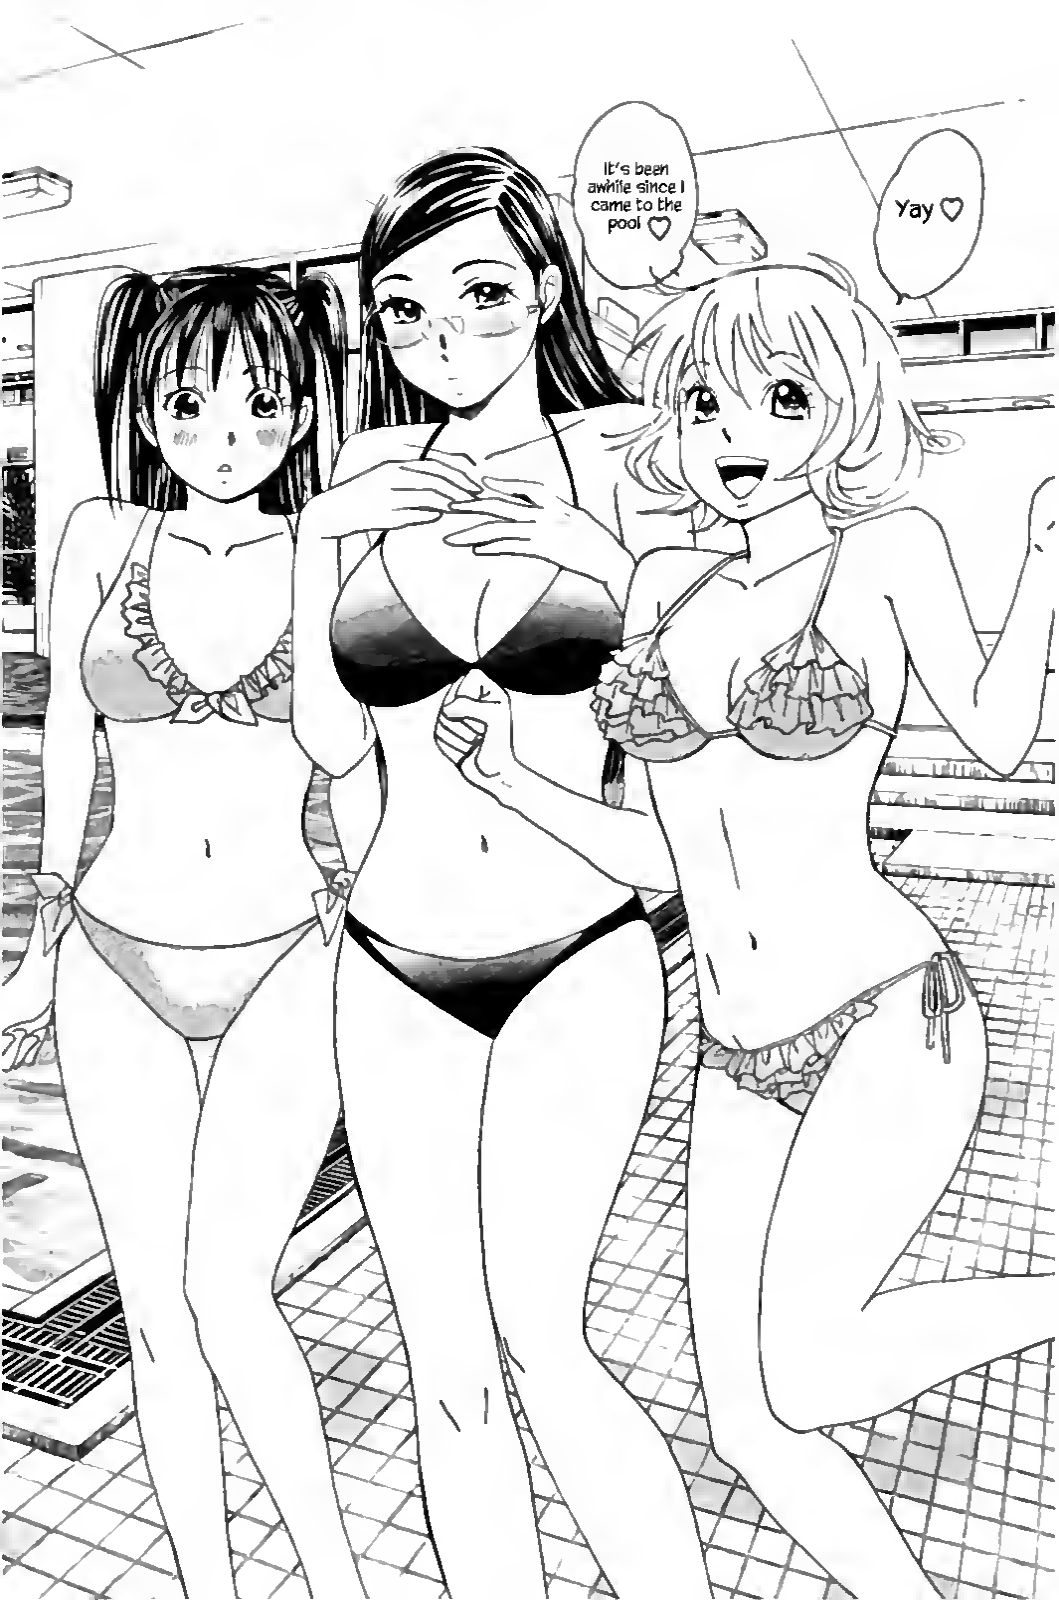
You seem a little upset...
Don't think too much
Ah, I'm fine
Are you ok Miyu -san?
Because everyone loves Miyu -san
へへ...
O-Of course, I love you too...
Thank you so much

This looks better
Hmm?
I don't have club practice today so
Ehh?!
Do you want to go to the pool together?
Doesn't like to exercise
Ugh .....
I want to work out,
and you want to diet right?

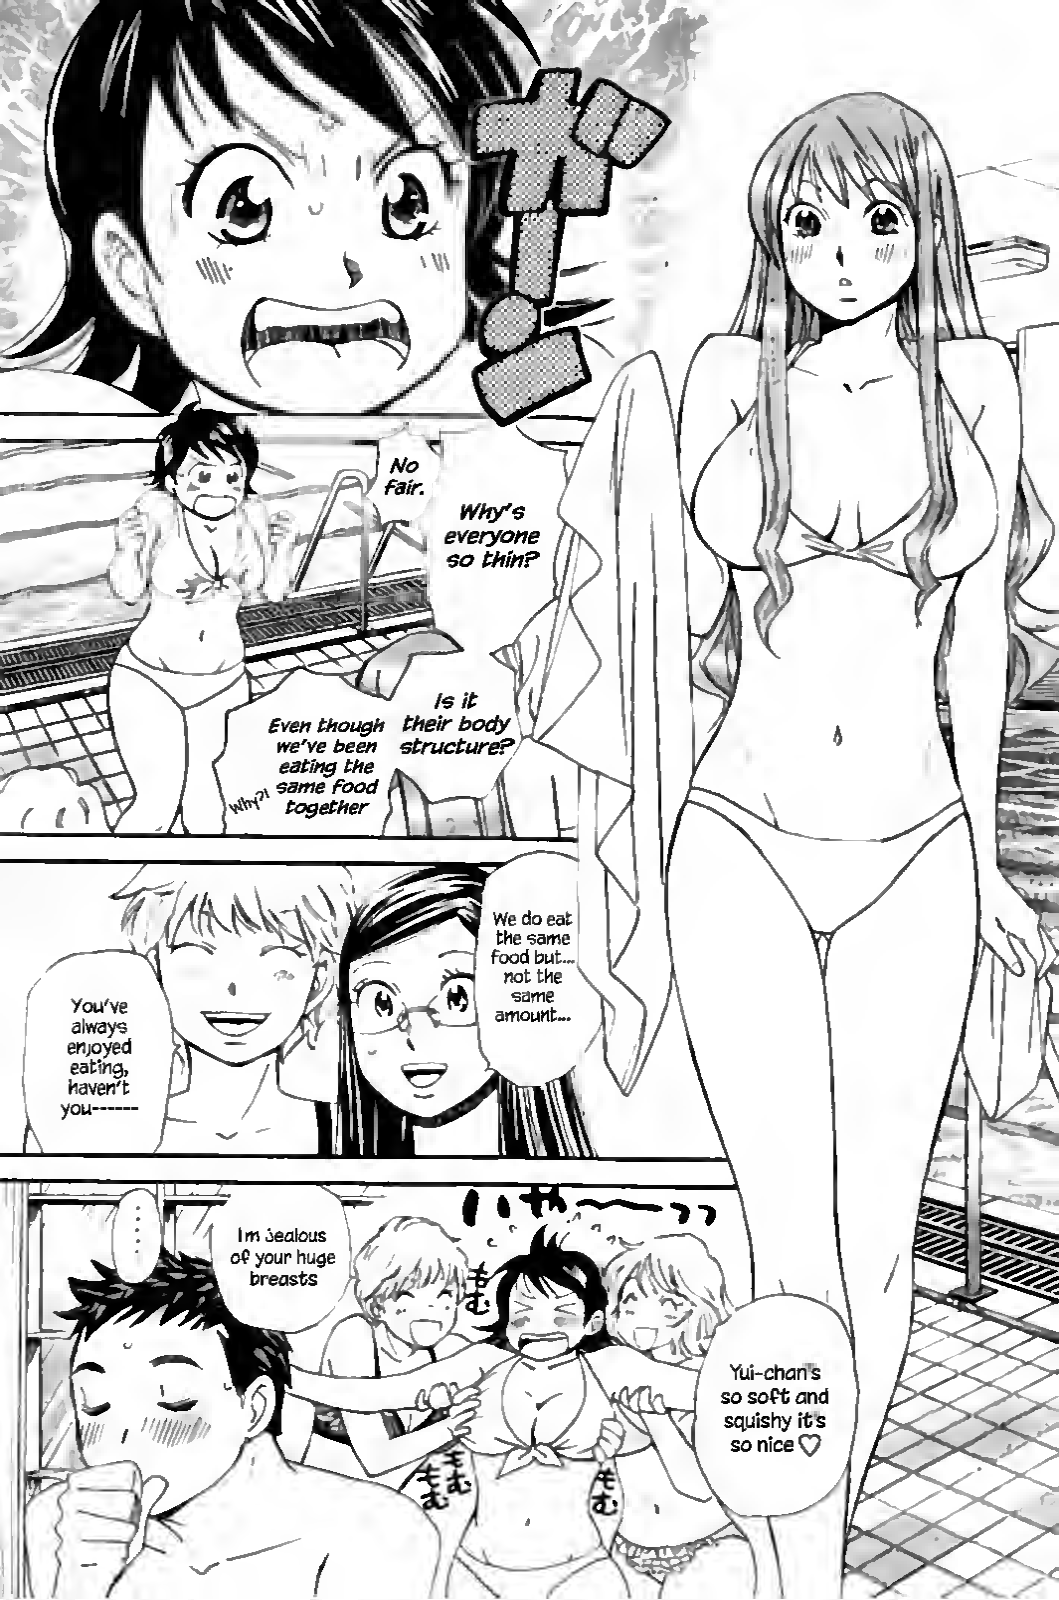
Then let's go!
To the pool!
Can I tag along too?
Ehh~~~ then me too~
I've been eating too much lately
Ehh?! Me too?
Of course you're coming too right Shinichirou -sama?
Right?!



スポーツセンター



It's been awhile since I came to the pool ♡
Yay ♡



No fair.
Why's everyone so thin?
Is it their body structure?
Even though we've been eating the same food together
Why?!
We do eat the same food but... not the same amount...
You've always enjoyed eating, haven't you------
I'm jealous of your huge breasts
Yui-chan's so soft and squishy it's so nice ♡

She sure can swim
Arrggh, I'll slim down just you watch----
Shin-kun♡
Aren't you going to swim?
Ah... it's fine, really
Let's swim together, ya

Don't tell me you don't know how to swim?
